MAN & MACHINE presents

Mighty Mouse 5

Disinfectable Five Button Mouse

If you like the functionality and convenience of a scroll-wheel mouse, but need it to be water-proof and disinfectable, Man & Machine has the solution. The five-button Mighty Mouse 5 has a seamless sealed surface for easy cleaning. Besides a left and right click option, it has three extra buttons that work as a scroll wheel. The Mighty Mouse 5 will allow you to scroll up, down and scroll lock, mimicking the abilities of other mice without sacrificing germ or infection control. This mouse is easy to clean with alcohol, 10% bleach solutions or other chemical solutions. Be efficient without compromising cleanliness with the Mighty Mouse 5.

Available in black and hygienic white; Also wired and wireless.
